

MEDICAL UNIVERSITY OF THE AMERICAS

Supplement to the Catalog

The following information updates and replaces certain information set forth in the Medical University of the Americas Catalog.

General Discussion of Licensure and ECFMG Certification (Page 25)

The first paragraph should be replaced with the following: “Medical University of the Americas prepares its students for the practice of medicine. Students should familiarize themselves with the licensure and certification requirements of the jurisdiction(s) in which they may wish to practice. All students are required to sit for and pass the United States Medical Licensing Exam (USMLE) Step 1, USMLE Step 2 Clinical Knowledge and USMLE Step 2 Clinical Skills, regardless of whether they intend to practice in the United States. In accordance with the University’s regulatory and accrediting requirements, all students are further required to report their USMLE scores to the University, provide a consent allowing ECFMG to report their scores to the University, and provide a consent allowing the University to report their scores to the University’s regulatory and accrediting bodies.”

The next-to-last sentence on page 25, which reads, “Students from other countries who do not intend to do clinical rotations or practice medicine are not required to take the USMLE.” is hereby deleted.

Doctor of Medicine Graduation Requirements (Page 21)

After the second bullet point, the following bullet point is added: “Passing scores on the United States Medical Licensing Exam (USMLE) Step 1, USMLE Step 2 Clinical Knowledge and USMLE Step 2 Clinical Skills.”

Ceremonies: Doctor of Medicine Commencement (Page 26)

The second sentence is replaced with the following: “To be eligible to receive the Doctor of Medicine degree, students must satisfy requirements of the Basic Science curriculum and Clinical Medicine program and pass the United States Medical Licensing Exam (USMLE) Step 1, USMLE Step 2 Clinical Knowledge and USMLE Step 2 Clinical Skills.”
