

MUA Dormitory Questionnaire

Please complete this questionnaire to help us assist you in arranging room assignments. Fax it to (978) 862-9599 or mail it to Medical University of the Americas, c/o R3 Education Inc., 27 Jackson Rd., Suite 302, Devens, MA 01434.

Medical University of the Americas has two dormitories exclusively for the use of our students. One dormitory is located just a mile from campus and a five-minute walk to two white sandy beaches. A second similar dormitory is located adjacent to the campus. All rooms are fully furnished with microwave oven, refrigerator, private bath, two twin-size beds, desks, chairs, and a small patio with either an ocean or mountain view. High speed internet is available through a third party service provider. Transportation to and from campus is provided by school vans. Laundry and grocery facilities are adjacent to the dormitory.

Dorm rooms are double occupancy (although there are some limited options for single occupancy) and are available on a first-come, first-served basis. Living in the dorm will provide you with an opportunity to socialize with other students and form study groups while becoming oriented to medical school life and the island of Nevis.

All new or transfer students attending MUA unaccompanied, must reside in the dorm. The definition of **unaccompanied** is a student that does not have someone living with them on a permanent basis that qualifies for temporary residence. If there are no vacancies in the dormitory, the MUA housing coordinator will assist students in finding suitable off-campus housing.

Dormitory Charges

Payment Policies

Please make your certified check or money order payable to Mr. Orville Liburd, owner, who will collect fees upon your arrival at the dorm. Cash will also be accepted, but no personal checks. If rent is not paid, USD \$10.00 per day will be charged until payment is made in full. Rent includes all utilities. Additional charges will be assessed for use of high electric usage items. Security deposits will be returned to students within ten days of the next semester. Students not returning to Nevis can receive security deposit refunds on the day of departure only with written documentation from the administration; otherwise, deposits will be mailed within thirty days of departure. Students who occupy the dorm for more than two (2) months, and who have been dismissed by the University, will not be refunded any rent income. Students who occupy the dorm for less than two (2) months will be charged USD \$25.00 per night of occupancy.

NOTE: Since cooking facilities in the dorm are limited, meal plans can be arranged through local vendors. The MUA cafeteria on campus is capable of providing students with breakfast, lunch, and snacks in between classes.

Once you have completed your dorm form, please fax it to (978) 862-9599 or mail it to Medical University of the Americas, c/o R3 Education Inc., 27 Jackson Rd., Suite 302, Devens, MA 01434.
