**Helping MUA and MUA students.**

1. As you know, MUA is always looking for new clerkships for our students but they must be ACGME approved (Green Book). Our rule remains that the hospital must offer residencies in family medicine, and/or in the same specialty as the student rotation.

**Would you be able to help us develop new rotations in your area?**

**Underline – Yes No**

If yes, please let us know how you prefer to be contacted for further discussion.

**Underline: Email or phone**

2. Students are always looking for graduates for guidance; Would you be willing to speak with (**Underline answer:**
